

Paramedic, Chicagoland

(5 Clinic network)

At Hopemark Health, our mission is to address the growing need for effective and personalized mental healthcare through innovative and novel therapies. We began our journey as the first psychiatric-led Ketamine clinic in Chicago and have administered over 5000 Ketamine treatments since then. Our clinics offer a best-in-class patient experience that is rooted in evidence-based psychiatric and psychotherapy-led treatments.

We are a group of passionate healthcare providers and mental health advocates looking to grow our team and further our mission across the Chicagoland area. We believe in the power of integrated mental healthcare, the importance of independence, compassion, and accountability in the workplace, and in a community that prioritizes their mental health. You will be a part of a fast-growing industry focused on utilizing the best and most advanced treatments for those in need. If you are looking to expand your career in the mental health industry while improving the lives of those in your community, we are looking for you.
